directions

Directions to the Britannia Beach Community Centre

Driving from Vancouver: (about 40 minutes)

Leave Vancouver via Highway 99 north across Lions Gate Bridge or via the Trans-Canada Highway across the Second Narrows Bridge. Both routes connect to follow Highway 99, otherwise called the "Sea-to-Sky Highway." Follow the Highway heading north.

On Highway 99, you will pass through Lions Bay and Porteau Cove and then the Community of Furry Creek and the Furry Creek Golf Club. Continue for another 5 kilometres and follow the signs to enter the community of Britannia Beach. The first entrance takes you into Museum of Mining property. Continue along to the Post Office where you may park your car, and walk behind the Post Office to the two storey building located on the left. The Community Centre is upstairs. Alternatively, you can take the second entrance to Britannia Beach off Highway 99, into Britannia's commercial area. You can park in this area and then walk behind the Gift Shop to find the stairs up to the Community Centre on the second floor.

Driving from Squamish: (about 15 minutes)

Take Highway 99 south for about 10 kilometres. Drive into Britannia Beach and follow the directions above to find the Community Centre.
