## Taming urban sprawl

**REFURBISHING SUBURBIA** / A small group of visionaries wants to put the brakes on our car-happy suburbs to make them healthier for us and our environment. We examine the ideas they'd like to bring to Edmonton

6

### Shaping our own evolution

Rapid advances in technology could soon change what it means to be human

3

### Women battle the fog of politics

While female GIs duck bullets in Iraq, U.S. politicians try to ban them from combat

5

### Rebirth after the blast

Twenty-five years after Mount St. Helens blew its top, life is blooming again

9

**BOOKS  
AUTHORS**

10-12

The inside story of Enron's collapse is sordid, sweeping, spellbinding

Featured authors / Michelle Berry, Alice Hoffman, Elmore Leonard, Jeannette Walls, among others
